Chairman

Kossuth County EMS Board

Algona, IA 50511

To Whom it may concerned,

Now that an EMS System Administrator has been hired and is in place, I feel now is a good time for me to resign my position as secretary of the Kossuth County EMS Board. I feel that great progress has been made and urge you to take a breath and look at the success that have come from your work.

Your research and recommendations have not been taken lightly by our Board of supervisors and I feel they are committed to the continued improvement and sustainability of EMS in Kossuth County.

Well done to all of you.

Sincerely

David Penton

Kossuth County EMA / 911 Coordinator
